# Welcome to the Chair 5

## Executive Wine List

*It is my absolute pleasure to introduce you to Chair 5's exclusive collection of vintages. Some of you have had the opportunity of Viewing, and perhaps tasting, wine from the Executive List, but for many others, this selection may be Girdwood's best kept secret.*

*One of my visions when I purchased Chair 5 over 14 years ago, was to invite my guests to enjoy a fine bottle of wine with our original "Deep Dish Square Pizza". That concept has been met with many raised eyebrows. But, those who know me know that I tend to stray from the norm and enjoy being on the eclectic side.*

*That being said, I decided it was time to invite the community and visitors to share in Chair 5's prized collection, as this community has so graciously welcomed Chair 5 into their lives. The staff and I have spent countless hours diligently categorizing and organizing each bottle, so that we may unleash this fine selection to you.*

*"The Nickel's" wine list not only spans the globe, but also decades. All of our wine has been perfectly aged and stored in our original, all natural earthen cellar underneath the dining room. Despite Girdwood's ever-changing and often erratic weather, our cellar has maintained the optimum temperature for preserving the integrity of our wine. Mother nature never lets us down.*

*So, please sit back, relax and enjoy these wines as much as we are delighted in presenting them to you.*

*Cheers!*  
*Spike*
